Comments by Council

Mrs. Tomlin informed we have a new business in the old downtown area called the Bow Wow Boutique and wanted our residents to know that it's there and open. Also, while attending my grandson Landon's 6th grade West Carrollton Pirates football game, unsportsmanlike conduct could have been called on the opposing team on almost every play. Our team conducted themselves with dignity and integrity and I was deeply offended by the actions of the opposing team but I have never been prouder of the conduct of our players and to call myself a resident of the City of West Carrollton.

Mr. Robinson informed the Bow Wow Boutique has been around for several years and did a good job on his dogs and he would recommend them to our residents.
