N/A

Please describe in detail the land use for which you desire a conditional use permit:

Build a dwelling approximately 1200 sq ft. to live in 6 to 9 months of the year.

Comments:

Is the property in fact to be located in a district wherein the use may be conditionally permitted?

Yes

Does the proposed use facilitate and encourage the general objectives, or any specific objective, of the City's comprehensive plan and/or Zoning Code, and does not adversely affect the envisioned predominant character or purposes in the District?

I dont think dwelling would adversely affect district.

Will it serve to create a well-planned, visually appealing development which will be designed, constructed, operated, and maintained so as to be harmonious and appropriate in appearance with the existing or intended character of the general vicinity and that such use will not change the essential character of the same area?

Dwelling will be well-planned out and visually appealing.

Will the proposed use be an adverse influence or present hazardous or disturbing impacts upon any existing or future abutting or neighboring uses?

No adverse influences will be present

Will the proposed use involve any uses, activities, processes, materials, equipment and conditions of operation that will be detrimental to any persons, property, or the general welfare by reason of excessive production of traffic, noise, smoke, fumes, glare, or odors?

Dwelling will not involve any uses that will be detrimental to anyone or property.

Is the proposed use designed to maximize the public interest and private benefit in a balance manner?

Dwelling will be designed to maximize public and private benefits.

Will the proposed use be served adequately by essential public facilities and services such as highways, streets, police and fire protection, drainage structures, refuse disposal, water and sewer, and schools; or that the persons or agencies responsible for the establishment of the proposed use shall be able to provide adequately any such services?

The proposed dwelling will be served adequately by public facilities and services. Services not offered will be adequately provided by owner.

Will the proposed use provide adequate ingress/egress to the development, and relate effectively to the existing street system in terms of safety and ease of access with vehicular approaches to the property so designed as not to create an interference with traffic on surrounding public thoroughfares?

*Proposed dwelling will not interfere with my traffic or public thoroughfares.*

Will the proposed use create excessive additional requirements at public cost for public facilities and services and will not be detrimental to the economic welfare of the community?

*No public cost will be incurred.*

Will the proposed use result in the destruction, loss, or damage of a natural, scenic, or historic feature of major importance?

*No destruction, loss, or damage will result*

I David Hansen having been duly sworn, solemnly swear that I am the owner/applicant of the property described above and that I am familiar with the rules and regulations set for in the Zoning Ordinance for the City of West Carrollton, Ohio. I further swear that all information shown on the application and attachments is in all respects, true and correct to the best of my knowledge and belief.

In addition, I understand that the city will give notice of the public hearing by posting a "Zoning Request" sign at the location listed on the application until final decision is made on the application.

WEST CARROLLTON

STATEMENT OF APPLICANT OBLIGATION FOR PAYMENT OF CERTAIN PROFESSIONAL COSTS AND EXPENSES

The Applicant is obligated by Chapter 37: General Fee Schedule to pay the City of West Carrollton ("City") for all costs and expenses incurred by the City if this application or request causes the City to incur expenses and costs for an independent consultant to either review, evaluate or comment on data or information submitted by the Applicant, or to prepare information or data in connection with the City's review and evaluation of the application or request. If an application or request filed with the City causes the City to devote to that same application or request time and professional skills of a City employee who is an engineer or surveyor (or other member of a so-called "learned professional", the members of which are licensed by or registered with the State of Ohio), the costs and expenses to the City of the time devoted to that application or request shall be the obligation of the Applicant. The total amount of such costs and expenses shall be derived by the method of calculation pursuant to the then current legislative policy for such calculation.

The payment of expenses and costs referred to in this statement shall be made to the City of West Carrollton in accordance with the then current administrative policy for such payment. An application or request may require funds to be deposited in advance with the City for such costs and expenses. The payment of such costs and expenses shall be in addition to any other application fee required by the City, and must be received by the City before any permits for the property will be approved and issued.

The person whose signature appears below as Applicant states that she/he has full and complete authority to agree to, bind and obligate the Applicant to pay the costs and expenses referred to in this statement and to fully comply with the above statement.

By the signature below, the Applicant herein states she/he has fully and completely read the above statement, understands the above statement, and agrees to fully comply with the above statement.
