YOU ARE NOT ALONE

There are so many categories of crime from harassment, to domestic/sexual violence, to home invasions, to homicide, etc. Unfortunately, crimes do not discriminate.

DON'T BE ON AN ISLAND

The West Carrollton Police Department and the Trauma Recovery Center (TRC), a program of Family Services are collaborating by providing more effective and specific services to crime victims in the City of West Carrollton.

The TRC can provide up to SIX Solution Focused Therapy sessions to crime victims in the city of West Carrollton at no cost.

Solution Focused Thearpy is brief, goal-oriented, and emphasizes solutions rather than delving into underlying issues.
